

WE NEED YOUR HELP!

Connections Convention: Home Building Team

We Are Building A Huge House in the LVH Pavilion!

We are looking for 10 more volunteers to assist us with building a live flood demonstration house at Connections Convention. We currently have a team of 10 assisting us. We come in early, the Saturday night before Connections and start work on Sunday morning. We work for 2 and half days building the structure and finishing the interiors. Please come join our team. Connections will pay for 2 night's hotel room at the LVH Hotel & Casino to say thank you.

The group will arrive on Saturday September 1st and stay at the LVH Hotel and Casino (formally known as the Las Vegas Hilton Hotel). A few of the group will arrive on Sunday. Meetings and Events Team will be arriving on Saturday morning to coordinate the gathering of all of the materials and to receive the orders from The Home Depot delivery men. Travis Olson will also be working on the layout of the floor plan with some volunteers.

We want to make sure you have all the information you need in order to assist us during the building process. There will be approximately 20 volunteers working on the house. We have a few people bringing their own tools and it would be helpful if you had some of your own, that you like to work with and are comfortable using, but not required. Please contact us before shipping any large pieces of equipment.

Day One

Sunday, September 2nd we will meet for breakfast which will be provided for you in the Paradise Café, in the LVH Hotel and Casino at 7 am. Please come ready to start building at 8 am sharp! Larry and Travis will go over the building plans with everyone in the LVH Pavilion, introduce the building leaders and then we go straight to work. Lunch will be provided for you at noon. We will also have snacks and drinks provided. The plan is to build until everyone gets tired... maybe 6 pm.

Day Two

Monday September 3rd, we will meet for breakfast which will be provided for you again in the Paradise Café, in the LVH Hotel and Casino at 7 am. At 8 am we are hitting it hard again. Let's get this house completed. Remember it is a big project, 20' x 30'. Last year we built a 90' x 12' house... New project, new ideas, we can do it! Lunch will be provided again for you. This could be the long night if needed. We will work until we know that on Tuesday we can be done by noon.

Day Three

Tuesday September 4th, breakfast will be provided for you one last time in the Paradise Café, if you are continuing to work on the house, in the LVH Hotel and Casino at 7 am. At 8 am we are hitting it hard again. This house will be completed by noon. No Lunch today. The expo company, Innovative Expo, will be in the hall today setting up the exhibit booths. All the companies involved in the other demonstration areas will be arriving at 2 pm, to set up there demo areas.

Please note: if you are not a breakfast person, please meet us in the LVH Pavilion at 8 am.

Feel free to contact us at anytime with any questions.

Again, Thank-You for your consideration! Let have a Great SHOW!
